CRUISER REGATTA 2017

ADDENDUM TO SAILING INSTRUCTIONS

DUAL SCORING (PH & IRC) OF CRUISER A DIVISION

1. An IRC Division was omitted from the 2017 Cargreen Regatta due to lack of IRC entries in recent regattas. However following late requests to include an IRC Division, it has been decided to dual score the Cruiser A Division with results calculated on both Port Handicap and IRC TCCs. Prizes will be awarded primarily for performance under Port Handicap but additional prizes will be awarded for performance under IRC.
2. Accordingly skippers of boats with current IRCs entered in Cruiser A Division should inform the Regatta Secretary as soon as possible of their boat's TCC (deadline 1900 Friday 15 September) so that they can be included in dual scoring.
