

Cargreen Yacht Club Visitors Moorings

Cargreen – River Tamar

Position: 50.26.81N; 4.12.38W

Charts: SC5602.19 A/D, BA 871

Approach: Approaching “Weir Point” from the south aim for halfway between the Port hand mark and yellow buoy. Then stay in proximity to the middle trot of moorings

Dangers: **Power lines at Weir Point 21m above HAT.**

Swell direction: **None.** However this section of the river can be uncomfortable in strong wind over tide

Moorings: **All moorings are serviced annually by Cargreen Yacht Club (CYC) who welcome visitors. Visitors moorings LQ31 and LQ35 are available in the locations shown on the chartlet. Minimum depth 1.2m at Chart Datum**

Alternatively please email the CYC moorings officer on moorings@cycadmin.org 48hrs in advance so you can have another suitable mooring allocated and access to the club facilities. The mooring might not have a pickup buoy.
Minimum depth 1.2m at Chart Datum

Lights and Marks: **The port and starboard marks are not lit this far up the river. Navigation in the dark is not recommended.**

Facilities ashore: **Cargreen Yacht Club welcomes visitors <http://cargreenyc.org/sailing/visitor/> Bar open Wednesdays and Fridays 1900 – 2300. Showers and toilets available. Wellies are recommended at low tide! Land either at the quay steps or at CYC 200m north of the main village which has a shingle causeway down to Low Water Springs. It is a 400m walk along the lanes from the quay to CYC .**

The Crooked Spaniards pub has been closed for many years.

Notes: These are private deep water moorings. **Anchorage is possible in settled weather due south of Weir Point mid channel as shown on the chartlet**

Minimum depth / Max draft

Minimum depth at chart datum of these moorings is **1.2m** to which you can add tidal height as at:

<https://www.bbc.co.uk/weather/coast-and-sea/tide-tables/10/14b>

Max load per mooring

Boat weight < 10,000kg = 9.8 tons.

Rafting is allowed as long as the combined weight limit is respected

Alternatively please email the CYC moorings officer on moorings@cycadmin.org 48hrs in advance so you can have another suitable mooring allocated

Max Length (LOA)

12m = 40ft.

Alternatively please email the CYC moorings officer on moorings@cycadmin.org 48hrs in advance so you can have another suitable mooring allocated
